A further supplement dated 10 September 2013 (the “Supplement”) has been issued for the purpose of updating the Programme Memorandum in the following respects:

i. Provide the Issuer with the right to oblige the Originator to repurchase from the Issuer any Loan Claims sold by the Originator to the Issuer and in respect of which any warranty provided by the Originator prove to have been incorrect when provided;
ii. Amend the financial covenant relating to the Cellular Contracts;
iii. Provide clarification on interest rates and payment dates;
iv. Provide clarification on repayment of notes (1) during the Scheduled Amortisation Period, (2) at the instance of the Issuer, (3) upon delivery of an Early Amortisation Notice, and (4) upon delivery of a Guarantee Notice;
v. Introduce an additional Credit Event based on the funding of the Arrears Reserve;
vi. Amend the Credit Granting Criteria of the Originator;
vii. Reduce the maximum cap on management fees capable of being charged by the Originator; and

The following Transaction Documents were amended to facilitate the changes contemplated above:
1. Trust Deed;
2. Standby Administration Agreement;
3. Sale of Claims Agreement;
4. Security Cession Agreement; and the
